**Sermon Title:** Purpose Under Pressure

**Message:** Deenie Rensford

### **Big Idea/Sermon Focus:**

The Bible is a wonderful source of inspiration in all different situations. Abraham's life is a great example of someone who had purpose resulting from pressure.

**Key Scripture(s):** I Corinthians 10:11, Hebrews 2:10 & 11 and I Peter 4:1

### **Questions:**

1. Abraham, the Father of Faith, had to undergo lots of pressure. With which one of the trials mentioned on Sunday do you relate most?
2. What are some of things that could come out of the pressure of COVID (preferably starting with 'p')?
3. Why can we use pregnancy as an analogy of the pressure of this COVID season?
4. What is one purpose of suffering?

**Prayer:** Encourage those who feel under pressure and pray for one another specifically about anything shared that feels like pressure at this time.
