Sunday, November 29th – Christmas: Tree

This week at Kids Club, we talked about another group of people who shared in the wonder that was the first Christmas. In Luke 2:8, the Bible records that shepherds were living out in the field as they watched over their sheep when the angels told them about Jesus' birth.

Now, back in those days (2000 years ago), shepherds were treated really badly. People didn't trust them and wouldn't listen to them. But, God chose shepherds to be the ones who herd from the angels, and in turn, it was shepherds who started sharing the news of Jesus' birth. Like an arrow, the shepherds pointed to the miracle of Jesus.

Today, we looked at the Christmas Tree. Often, a Christmas tree is made up of 3 arrows pointing up into the sky. We can use them to remember that we are called to be like the shepherds and point to Jesus through the way that we live our lives – what we do, what we say and how we think.

For our craft, we made Christmas Tree Cards to share with others. Who could you give a card to this Christmas?

Watch:

- *Do You Hear What I Hear?* <https://youtu.be/1A-dijwxiBU>

A couple of weeks ago at Kids Club, we did a short skit with to this song. It is all about telling others about Jesus and inviting them along on the journey. Above is our special Christmas clip!

Ask:

1. Who did the angels tell about the birth of Jesus?
2. Why do you think God chose the lowly shepherds to be the ones to find out about Jesus' birth instead of the popular or famous people?
3. What is something can you do to be like an arrow and point people to Jesus?

Do:

- *Christmas Tree Card*

As you make your Christmas card remember that the tree reminds us we can point people to Jesus during Christmas.

- *Pray*

Spend some time praying to God. Ask Him to help you as you point people to Jesus this Christmas time.
