Sermon Title: A Mother's Heart

Message: Deenie Rensford

Big Idea/Sermon Focus:

God's nature revealed through his creation, Adam and Eve – male and female. The heart of a mother reflects the merciful nature of God and His tender feelings toward His creation.

Key Scripture(s): I Sam 1:9-18, 24-28 (24-28) and 2:19-21

Questions:

1. The root word for both 'woman' and 'mercy' is 'Ra-ja-mim'. What do you think is the connection?
2. What attribute do you most admire in Hannah, and why?
3. In what way are sacrifice and commitment connected?

Prayer: Pray for one another, focusing on needs around fear and an ability to clearly hear the Lord's voice. Also please remember to pray and give for the Kenyan pastor and his family.
