

GVCF CORNER

Tuesday, July 27th – People Like Us: Peter the Game Changer

Lockdown is nearly over and Kids Club (at this point) can be back in person next week!

However, we wanted to give you a taster of what's coming up.

Below is our new song for the term. It's fast paced, but a lot of fun. Have a shot at dancing to it and see how you go!

This term we're looking at People Like Me – reading through the book of Acts and the extraordinary things that ordinary people did when they listened to God.

Next week we're going to be looking at Peter and a vision (or dream) that God gave him. In his vision, God told Peter to tell everyone about what Jesus did – not just the people who looked and lived like Peter did.

In Peter's vision there was a large sheet with lots of different animals on it! Maybe during the week you'd like to try making some Animal Shadow Puppets on a bedsheet or on the wall. You can use the activity sheet below to see how some people make animal shadows with their hands, or you could make up your own.

Can't wait to see you all next week!
